

Amendment to

**Availability of Grant Funds (AGF)  
for FFY 2020 State Traffic Safety Information System Improvements Grant,  
Section 405(c) Funding**

on February 24, 2020

- A **4/1/20** meeting will enable respondents to the AGF to make brief presentations on their proposed projects to the Office of Grants and Research-selected (OGR) AGF review committee, TRCC members, and guests. This 4/1 meeting will be held at 10 Park Plaza, Conference Rooms 2 & 3, Mezzanine Level, Boston. The meeting will start at 1 pm, and depending on the number of presentations may run until 4 pm. Space is limited, so please RSVP to [brook.chipman@mass.gov](mailto:brook.chipman@mass.gov) by 3/23.
- OGR is looking for up to two TRCC members willing to serve on a review committee for the AGF.

Key commitments entail a review of AGF responses following the 3/25 submission deadline, attend an initial committee meeting and then project presentations on 4/1, attend a committee session to review/score AGF responses TBD in early April, and then assist with the development of a report for TRCC members on the committee's recommendations by mid-April. Please note that those who serve on the committee cannot be from entities that submit responses to the AGF. Committee members will sign a statement they have no known conflict of interest in the AGF process. Anyone considering service on the committee must discuss beforehand his/her interest in doing so with the leadership of his/her entity, starting as applicable with its ETRCC representative. The selection of committee members from interested parties will be confirmed by OGR leadership.

Those with interest in serving on the committee should contact Brook Chipman at [brook.chipman@mass.gov](mailto:brook.chipman@mass.gov), ideally by 3/2.
